- Free admission to the event you sponsor
- Your name and company logo in all promotional materials about that event, including AIWN website
- A two – three minute presentation at the beginning of the event
- The opportunity to hand out your company materials or samples to all attendees
- NOTE: Speed Networking event in January prices: Members - \$150, Non-members - \$300.

All sponsorships are offered on a first come-first served basis, so let us know early if you want to sponsor an event in 2017. If you are interested in a sponsorship, please fill out the form below.
